

Are You CLEAR to Return to the Lab?

Following the reopening of many laboratories we've been working with a wide range of companies to help them get back to full productivity in a COVID secure environment.

Maintaining strict hygiene protocols, social distancing, reduced lab occupancy and remote working are essential to ensuring a safe return. In response, we have developed a CLEAR framework to address these fundamental aspects to work safely.

Watch the webinar to find out more about the many innovative solutions available to support safe working during COVID-19.
