Mal-22° Mud Logging Analyser™

- Carbonate content (calcite/dolomite)
- Automatic temperature compensation (patented)
- Routine drilling, Mining Exploratory drilling
- Lithology: Natural gas exploration, Geology
- EN ISO 10693, ASTM D4373 & ASTM D1756-02

FOGL® Bench-top Soil Calcimeter™

- Laboratory
- Unparalleled accuracy
- Automatic temperature compensation (patented)
- USB output with data export & real-time graph of analysis
- ASTM D4373 & ISO 10693

FOG II+ Digital Soil Calcimeter™

- Portable
- Automatic temperature compensation (patented)
- Integrated UMP-2 soil moisture sensor/soil moisture correction of the readings
- Display carbonate content, soil moisture & electric conductivity
- ASTM D4373 & ISO 1069
