

SEFA Presentations at ARABLAB 2022

SEFA and its members are proud to announce that they have organized a series of presentations on October 24th and 25th inside the SEFA Theatre at ARABLAB 2022.

David J. Sutton, Executive Director of the Scientific Equipment & Furniture Association (SEFA) will begin the day in The SEFA Theatre on Monday morning, October 24, 2022 at 10:30 with ***“SEFA - A Year in Review.”***

We hope you will join us for a look back at important events that took place following the 2021 ARABLAB Expo; a preview of SEFA's 2022 Programming at ARABLAB and important future SEFA initiatives.

At 11:15 on Monday, David Sutton will make a presentation on the 2022 SEFA Lab of the Year Program. He will provide an overview of the 2022 Competition including Rules and Guidelines; the Judges and Judging Criteria; and finally, he will review the projects that were submitted this year. We hope you will join us for these presentations.

Following David's Monday morning presentations, we will begin the program entitled ***“Innovative Labs throughout the World”*** — A series of presentations featuring unique projects in India; Switzerland; Italy; South Korea, United States and Dubai, all taking place inside the SEFA Theatre on October 24th and 25th.
